

Unit 08 — Whole sessions, supervision and final assessment

Weeks 15–16 · Assessment

Duration	Weeks 15–16
Level	Assessment
Delivery	Online study, one live lab each week, small-group practice
Assessment	Written work reviewed by Prof. Oprea; unit 08 adds the case study and oral assessment
Tuition	Included in the programme tuition of \$1,799 — or 6 monthly instalments of \$300
Cohort size	Small groups, so every session gets attention

Overview

Complete sessions from Ground to Keep under supervision, followed by the written case study and the oral assessment.

Learning objectives

- Demonstrate a complete session
- Reflect critically on supervision notes
- Meet the assessment criteria for certification

Prerequisites

- Enrolment in a current cohort
- Unit 07 — Keep — the week after the session, including its written work
- Signed intake and consent forms reviewed in Unit 02

Core concepts

Practitioner reasoning · reflective practice · assessment criteria

Applied component

Submit a recorded session and a written case study, then sit the oral assessment.

Founded and taught by Prof. Catalina A. Oprea. The Certificate of Completion is issued by Hermes University Rome and signed by Prof. Oprea. It is a private professional certificate: it is not a government licence and does not replace any registration you need locally in order to practise. Questions: support@thekuremethod.com
